

RIVER COMMUNITY CHURCH

USE OF FACILITIES POLICY

*River Community Church welcomes all people to join us in making God's
Glory know and felt*

River Community Church welcomes the use of its facilities by River Community members and other groups who support the mission of the congregation. The use of our building becomes an extension of our mission through worship, education, service and fellowship. The facilities and equipment policies have been developed to aid the members and staff of the congregation in conducting these programs. All church activities shall have priority over non-church activities in scheduling the use of the facilities and equipment.

- We desire to keep our facility welcoming and tastefully decorated. Vending and fundraising activities will be limited to approved-locations.
- Smoking, alcohol, and illegal drugs are absolutely prohibited.
- A designated representative will discuss reservation details with you. They will also open and lock the facilities as needed.
- When the Gym, Fellowship Hall, or Dining Hall is reserved without the kitchen, the kitchen will be locked. When the kitchen is needed, access can be requested from the church.
- A designated representative will assist in the use of the kitchen appliances.
- Access will be limited to the reserved space and restroom facilities.
- River Community property in the form of audiovisual equipment, tables, chairs, dishes, utensils, etc. may not be taken from the church without permission.
- The church reserves the right to withdraw or modify a previously granted permission in the event that the space in question is needed for a church activity or program. In such cases the organization will be given as much advance notice as possible and all deposits will be refunded.
- The space and equipment must be returned to its original condition and location. All tables and chairs must be wiped down, trash and garbage must be put into garbage receptacles, materials put neatly back where found, and all lights, stoves, electrical equipment must be turned off and/or unplugged.
- Keys, when distributed, may never be loaned or passed along.
- When keys are granted, doors used must be locked and checked prior to leaving.
- The organization or individual making the application must assume the responsibility and liability for injury to persons or damage to property.
